Dear Friends at Immanuel Bible,

KPN-0636 Perhaps three people in the whole world remember what those letters and numbers mean. They are forgotten, even though they were once spoken at camp frequently. Back in the days before cell service, and before camp had a phone network, we had Citizen's Band radios. That license number was spoken daily into the microphones of two-way radios here at Shear Lake, but long enough ago that no one remembers them. Now you know them, and I should stop using them as my PayPal password.

God has spoken. One of the vital roles of the preacher is to remind us of things that we tend to forget. We don't want to be like the sheep in Isaiah 50 who "have forgotten their fold." In the New Year we need to remember, we need to always remember. Never mind that the world around us are like the people in the next chapter who "have forgotten the Lord, their Maker." We must remember. Which means we need to be reminded. Forgetting KPN-0636 is trivial, but forgetting what God has said is life and death.

We have 19 speakers coming this winter to preach. Pray that they handle the Word well, speak it with clarity, and that we listen well. This is our passion: to give a thoroughly biblical declaration of what God has said. Thank you for helping to make this ministry possible, thank you for not forgetting us. You are deeply appreciated.

Yours for Christ-exalting camping,

Paul Gardner
