November 26 2023 marked the 25th anniversary of the churches in Siberia being planted!

Unfortunately we were unable to be there but, we were able to send a greeting by video and we truly wished we could have been there with them! We praise the Lord for sustaining this body and for how He has been and continuing to use this church to impact Buryatia, other parts of Siberia and across the their borders. Thank you for praying for them for all these years!

Dear Friends and Family

Hello! We hope you have been blessed during this Holiday Season. It always seems to come quicker each year, doesn't it? Yet, with all that the world is facing, we have so much to be thankful for and rejoice in our Savior and Messiah and the hope of the Gospel.

This has been a busy Fall! We enjoyed teaching at Radius and time with students. We got to meet up with a young lady who traveled with us to Asia this spring and is now doing a Gap year at Radius, a program we highly recommend.

We also traveled to SouthEast Islands. It was encouraging to meet with the church planting teams, hear of their progress and lift them up as they continue in their work. Others are just starting off in language and we're strategizing areas for them to serve in once they complete language study.

Another highlight was our time in SE Asia with our dear friend and mentor, David. We have known David and his family for 33 years and he and his wife visited us multiple

times in Siberia, and have been involved in the ministry with us over the years in various countries! David has been instrumental in helping a business in SE Asia and we were able to travel with him to visit our teams, spend time with each family and remember all that the Lord has done and praising Him for how he will continue to work in this region of SE Asia.

We truly have much to be thankful for and we thank you for your prayers and partnership in the ministry! We have truly been blessed with a wonderful team and are amazed to see the Lord working in difficult areas of the world. He truly is the only hope for all nations!

May the Lord bless you this Christmas and this New Year!
Love in Him
