

Dear Immanuel Family

Hello! Hope you are well!

We want to thank you so much for your gifts and prayers for the ministry! We really appreciate your partnership with us!

We have been busy with domestic travel, speaking at conferences and at our workers' fellowships, making some good connections.

It's now the season when we are getting applications for new workers to join GSI and head overseas! It's exciting and we are thankful for the ones applying and desiring to serve in difficult places.

We will be heading to Asia in a couple of months to meet with our church planting teams and then we will head to a conference we are hosting for all of our workers from all of our regions! It's a big undertaking, and the first conference we've had since Covid, so we're all looking forward to a time of encouragement, renewal and added training and equipping for everyone! We appreciate your prayers as we plan and prepare for this key time together!

Thank you again! The Lord bless you!!

In Him
