

Dear Immanuel Family,

Hello! Hope and trust you are well! Can't believe how quickly time flies as we're almost in February!

We have been busy preparing to host our first Sender's Forum for Pastors! Over the years we have been asked for a time together for pastors to meet with other pastors who are sending out cross cultural workers to hear and learn from each other on how to vet workers, send well and strategize. We have about 90 people coming in for this event! We're thankful for the interest and pray the Lord is honored and glorified at this gathering.

We will be heading to IA to speak at a missions events called The Missions Course and speak at 3 different churches. This is a missions course to equip churches about the Great Commission and their role in going and sending. We will also have time with some sending pastors and our workers who are home at the moment.

Then we are gearing up for spring travel to different locations in Asia and Central Asia. We appreciate prayer as we prepare and plan to meet with our workers for encouragement and teaching.

We are thankful we had some extra time to see Dylan before he is deployed to Europe this spring. We appreciate prayer for he and his wife as he'll be gone for 9 months. And we are excited for Eric and Rayann-they got engaged on New Years Eve! They are figuring out wedding plans but we are happy for them!

Thank you so much for your prayers and partnership with us! We appreciate your standing with us in this tremendous work and covet your prayers for us and the church planters in difficult places.

The Lord bless you!  
In Him  
Julieann and Greg
