

Dear Immanuel Family

Hello! We hope you are well and had a blessed Easter season. We have just recently returned from a month outside the US.

We are thankful for the time that we had in Indonesia with all of our teams and families. It was a smaller get together with some good teaching, continued training and fellowship. We were able to walk through some team formation and development to help equip teams work well together.

From there we went to a location we had never been before! The country of Georgia! It was incredibly fun to use the Russian language again. We went there to teach at a training school for overseas workers--it still encourage and amazes us to see young people stepping up to be trained to work overseas long term in strategic areas.

The highlight of our time there was spending some time with our believers and dear brothers and sisters from Buryatia, Siberia where we worked! Three of the pastors/elders and 2 of their wives, and children, and mother came to spend a few days together! It was a great time of reminiscing, catching up and hearing all about their lives and how the church is going. Praise the Lord the church continues to grow, reach out and expand! And they have a heart for the nations, and are reaching out throughout Siberia and to other countries as well.

Thank you for being a part of their story! Praise the Lord for His faithfulness!!

We will be speaking in the US this month and in May we will head back to Asia to meet with all of our workers in other countries in Asia.

We appreciate your prayers for the church in Buryatia, Siberia our travel and for the workers serving and sharing their faith--please pray for open doors and hearts!

Thank you for standing with us in this work and for your partnership!

We really appreciate you!  
Love in Him  
Greg and Julieann
