

Dear Immanuel Family

Hello! We hope you are well!

We are well! We just finished up our board meetings and staff time together. It was a great time of reviewing all the Lord has done and is continuing to do, and how we can plan and prepare for the future!

We're finishing up applications for new workers joining GSI!! It's been exciting to see the Lord raising up workers to head our way. We should have over 20 new people joining us!

We're gearing up for our orientation in July! We appreciate prayer as we plan and prepare for this big event! We look forward to hosting new workers, their pastors and missions teams here.

We're anticipating a new team heading into Central Asia this summer, starting off a new work! Please pray for these families as they start in a new area and learn language. We've been encouraged that many of our workers are sharing truth, meeting with people and trusting to see more fruit as people hear God's Word taught for the first time!

Attached is a video that we just received from Siberia. It's from the group of original deaf believers who came to the Lord. They are giving greetings to us, share how they miss us, pray for us and wish we can see them! We miss them very much! Thank you for standing behind us to see the fruit of all of this-they continue to serve the Lord there, and reach out in their community! Praise the Lord!

Thank you so much for standing with us in the work!

Love in Him
