

Dear Immanuel Family

Hello! Hope your summer has gone well! It's hard to believe it will be September soon.

We were able to spend time with friends and family and now in preparation mode. We have a really full schedule starting next month.

Besides speaking in different states, we will head to Indonesia next month and into Oct. We'll be traveling to 3 different island, visiting our workers and teams. We appreciate

prayer for that time, and for wisdom as we meet with many people, all at different stages of their works. Some are well into teaching, others are translating, and some are still studying language, but all really need encouragement and guidance.

This has been a season of 'launching' too! It's been amazing to see families preparing to go, see their funds come in and now heading out to various countries. We actually have one family leaving today with their 6 daughters! Appreciate lifting them up in this process and transition for them!

Our churches in Siberia are doing well. One of our leaders just had surgery for cancer, but it went well and he's recovering. It's still a very challenging situation for them now-please pray for their endurance as they continue to serve the Lord there.

Thank you so much for standing with us in the work! We appreciate your prayers and partnership. We see the Lord continuing to open doors and raise up people to go to difficult places and we praise the Lord for that!

Thank you again, the Lord bless you!

Until all have heard,
Greg and Julieann
