July 29, 2022

Dear Pastor Hazen & Church Family,

For our neighbors experiencing homelessness this summer every day is another challenge to not give up. That's why I'm so grateful for your \$125.00 gift. Your support means that homeless men, women, and children will enjoy safe shelter, nutritious meals, and other essential services they need to escape the streets for good.

City Rescue Mission also experiences a challenge every summer, as our financial support drops during the summer months. It's only because of God's faithfulness and generous friends like you that we're always able to get through.

Thank you for helping us meet the crucial summer needs of the people we serve. Because of your generosity and compassion, we can be here to ensure that they have a place to go for meals and shelter as they strive for a fresh start.

Because you care for people who are hungry and homeless, they have a real chance to regain hope and rebuild their lives.

Sincerely,

A handwritten signature in black ink that reads "Dan Streeter".
