Thank you for your compassion

Dear Immanuel Bible,

Thank you for showing kindness to our neighbors who are hurting and in need of help. Your support of the Rescue Mission helps provide men, women and families in Mid-Michigan with shelter, essentials and resources that guide them on a path of transformation and healing. This is all done with dignity and great care, compelled by the love of God.

The Rescue Mission creates real, lasting change by addressing spiritual and long-term needs. Together, with our friends and supporters, we can help break the cycle of poverty and continue to provide life-sustaining programs for our neighbors facing hardships.

The individuals that come to the Rescue Mission are in desperate need of a helping hand. They are hungry, scared and hopeless. We can help give them a warm meal, shelter and care.

Thanks to compassionate friends like you, in 2023 we were able to provide:

81,056
Nights of
Shelter

123,709
Meals
Served

1,731
Guests

I invite you to follow us on social media to stay up to date with the Rescue Mission, read inspiring stories and much more!

Gratefully,

Dan Streeter
